Awaken the Survival Factor in You

There Is Always a Way

"We're interested in the creative element, because this is the spark of God that God has put into the heart of each human being. Sometimes socialism and welfare put it asleep, and I cry for that. The teachings of ECK I hope will awaken it – awaken the survival factor in every last one of you.

"That way, no matter what happens, no matter what comes, you have this can-do spirit. You know that somehow there's a way. And, as long as there is life, you will do whatever is in your power to make it work. And that's all you can do."

– Harold Klemp

Open the Doorway to Spiritual Freedom

Transform Your Life with the Love of God

"Love is the doorway to spiritual freedom. And the Light and Sound of God opens that doorway of love. You must go through this doorway. You must have the love of God transform your life to realize the gift of spiritual freedom.

"The song of HU will bring you that love. The song of HU can bring you that gift."

– Harold Klemp

Having the Grace to Accept God's Will

Acknowledging the Wisdom of God

"Prayer is sometimes a part of worship. What is true worship? To my mind, it is any act that brings one closer to God.

"And true prayer? It is either a private or public act that acknowledges the wisdom and all-seeing power of God. Also, it is having the grace to accept God's will as it appears, though it may differ from our own idea of what His will should be."

Recognize the Presence of the Master

He Is Always with Us

"... the Master is always with us. The Mahanta is always with us even though we may not always recognize his presence."
